## Announcement regarding changes of product code and labeling for Prepared media plates for microorganism testing “Easy Plate”

To our valuable customers,

We are pleased to inform you that we have transferred the production line of “Easy Plate” prepared media plates for microorganism testing from Dai Nippon Printing Co. Ltd. to Kikkoman Biochemifa Company. Due to the transfer of production, product codes, product labels, aluminum bag labels, expiration dates, and lot printing positions will be changed (scheduled in May 2022). Details of the changes are as follows. We would appreciate your cooperation in informing all related parties of these changes.

Thank you for your support and cooperation

Sincerely yours,

Overseas Hygiene Testing Products Group  
Marketing and Planning Division
